Must be registered and complete payment by May 28 to guarantee a camp shirt.

We will be grouping students by age and ability to provide the most appropriate level of instruction.

We will make use of stage balls (Red, Orange, and Green dot) to enhance instruction.

We will have rackets available for most kids. (if you have one for them we may have them use a different racket if it is not the proper size or in good working order)

If you are interested in buying a racket for your child, please contact Coach Johnson so he can give you the best options. Please do not just go to a store and buy on your own. We have affordable, quality options and appropriate sizes.

Cost: \$90 all 3 days.

Contact Coach Johnson if you have questions @ Aaron.johnson@hayscisd.net
